Dec 8, 2019 I just started playing. I like it so far but I have only gone through the prologue of this visual novel. I'm not sure if I'm going to stick with it or not. I'll keep playing and update this review when I find a better time to do so. . This visual novel has a very interesting setting. It's all about the prince/princess in the story who is in love with another princess(duelice). The story is fairly short and only has about six or seven scenes. . The characters look very adorable. The game is fully voiced in Japanese and has a very nice soundtrack. . You play as a prince/princess in a fantasy world. You meet up with Taisho who is very cool and you decide to rescue him. He's a special someone in your life and the duo develops quite well. . Dec 5, 2019 I played the game for about an hour and the writing and story line are amazing. I would rate this visual novel as a 4 out of 5 stars. It has a really interesting main character who is a prince/princess. If you're looking for something new, this might be a good one to try. . The writing in this game is amazing. The world is intriguing and I enjoy reading through it. The characters are also good. They are of course the central characters of this game. . I really enjoyed the story and the characters. The only problem I had with the game was the fact that you don't get to see Taisho very much. It's only present at the end of the game. . Dec 4
